Event Menus

welcome to chopbox kitchen BBQ & feast catering in Cornwall

We are all about using local, seasonal Cornish produce and cooking over charcoal to get amazing flavours into our ingredients. Our BBQ feast menu is designed around feast style dining with platters of smokey BBQ meats and veggies served alongside tasty sides, salads and homemade sauces.

We've received some amazing feedback and reviews and recommend you check out our google reviews and socials here - www.instagram.com/chopboxkitchen

Exactly what we can offer will depend on the style of food and service you would like and also on facilities at your venue. Once we've had a chat about the details we are happy to put together a quote including staffing, crockery and kitchen equipment hire if required.

We always try to be flexible so if you have specific food ideas in mind or a smaller budget just let us know and we may be able to accommodate bespoke menu requests.

We look forward to cooking for you!
